Future Entrepreneur

- Work in teams
- Develop new skills and experiences
- Explore the spirit of enterprise and what it means
- Discover why businesses succeed
- Think creatively
- Use enterprising skills to design new products of the future
- Present ideas to peers and teachers

We're in Business

- You are a catering company and you're about to open a brand new coffee shop in South Shields.
- **What will you do?**
- Decide on a name for the coffee shop in your team
- Plan your food and drink menu
- Sort a look, décor, theme etc. your coffee shop will have
- How will you market and promote your coffee shop to ensure as many people are there for the launch event
- Consider your budget
- Work as a team.

Geography Field Trip

A coastal walk from Low Newton to Beadnell.

The purpose of this field trip is for students to observe first hand a different coastal environment to that of South Shields.

During the walk the pupils will be observing

- The coastal sand dune ecosystem
- Sea defences
- Local tourism

On return to the classroom the pupils will complete an action plan on how to improve tourism in this part of Northumberland.
