## Enterprise Activities Week

6<sup>th</sup>-10<sup>th</sup> July 2009

Dear Parent/Guardian

Our 'Enterprise Activities Week' begins on Monday and this letter is to make you aware of the range of activities in which your child may be involved.

Pupils will participate in all of the following activities on Monday, Tuesday and Wednesday:

1. Technology Event
2. Personal Finance Activity
3. Employability Skills Activity
4. Statistics/PE Data Collection
5. Forensic Science Activity

All activities will take place in school and will follow the normal school day times.

On Thursday, pupils will follow their normal timetable except for those who will be competing in the School Sports Day at Monkton Stadium in Jarrow.

On Friday, the Y9 trip to Light Water Valley takes place. Pupils participating should arrive at school at the usual time, meeting and registering in the Hall at 8.30am; the return to school is expected to be at about 5.00pm, or slightly later depending on traffic conditions. Lessons will be provided for those pupils not participating in the trip.

We hope and expect that pupils will find these activities both enjoyable and valuable learning experiences. Relevant information is in the hands of our school secretaries who will be in a position to answer parents' queries, should they be necessary. You can of course also contact myself or your child's Director of Learning, Mr Varley.

Yours faithfully

Mr SA Hutchinson  
Deputy Headteacher
