

January 2007

Dear Parent

In order that your son/daughter is well informed about the choices he/she can make at the end of year 11, we are hosting a "Tertiary Evening" on Thursday 8<sup>th</sup> February 2007.

We have invited representatives from local V11th Form Centres and Colleges who will be able to give your child advice and information on routes to further education at the age of 16. This is so that your son/daughter has as much information as possible about the routes to employment or education available to them from September. We feel that with this information they can then make informed choices.

We would like to invite you and your son/daughter to join us between 6.00 and 8.00pm on this date. Refreshments will be available.

Please indicate if you will be attending this event by returning the slip below.

Yours sincerely

**Mrs A Horton**  
**Careers Co-ordinator**
